FOR IMMEDIATE RELEASE

BTW Inc., A Global Name In Medical Device Manufacturing, Promises World Class Service Offering

A well established and trusted market player, BTW Inc. has been in the electronics sector for the past 20 years. Putting quality of service and customer satisfaction as the top priorities, BTW Inc. is the company to partner with and look out for.

Minnesota, USA (15-September-2015)—BTW Inc., a Minnesota-based electronics company has over 20 years of experience in the customized electronics contract manufacturing and services industry, satisfying the needs of regional, national and international markets. It provides top level service, enhanced by the flexibility and responsiveness of a smaller private organization. Its top deliverables are quality, personal customer service and value. According to Tony Zuberbuehler, Director of Sales & Marketing, "*BTW Inc. metrics have averaged a 98.4% Delivered Product Quality in the previous year. For on-time delivery, we have hit the outstanding rate of 99% on approximately 1400+ orders. This number reflects our standard on over 500 different assemblies. We commit to our customer goals and do everything in our power to make them a reality.*"

BTW Inc. is a veteran-owned business which focuses on delivering quality products with quick turn-around, while providing customer service that drives process improvement.

The Company's current efforts are targeted into growing within the field of Medical Devices Manufacturing. Zuberbuehler shares that "*BTW Inc. is excited to be expanding its medical device building capacities, focusing on customers who are in the market for a flexible and high quality manufacturing partner.*"

BTW Inc. regularly sponsors a booth at the Medical Design & Manufacturing trade shows, where different emerging technologies in the field are showcased. In recent years, BTW Inc. has been certified as an ISO13485 manufacturing facility. It is equipped

with IPC-600, 610 and J-STD Certified Professionals and SMTA Certified Process Engineers. BTW Inc. also provides customers with a dedicated CFT (Customer Focus Team), which includes an electronics buyer, product engineer and an account manager. *"These teams ensure that communication happens fast, which translates into quicker time to market and direct positive impacts on bottom lines. Our teams are happy to assist our customers in overcoming their unique challenges"*, says Tony.
